Dear Mark and Jeremy

I thought I would put pen to paper regarding your help in developing our Sixth Form Prospectus.

I believe that in the time we have worked with Designbp, you have helped us deliver a superb prospectus design; in fact your company is fast developing into an integral part of our marketing team.

I would be more than happy to strongly recommend you to any potential new client looking for a Design and Marketing Agency with a track record of measurable results.

We look forward to working with you in the near future.

Best wishes

Keith Sorrell
